

Finance Report July 2025

Since we last met I have transferred £2500 to the CCLA investment fund, to bring our holding up to £25,000. The money came from the Magazine account, which is looking quite healthy at the moment.

£150 was given to both Christian Aid and the bell fund with proceeds from the May Fair.

The bell ringers raised £325 at their June coffee morning.

You should have had a chance to look at my draft re legacies, and generally helping the church. If people are in agreement we will put it in the parish magazine, and see what happens. Also, we could have information at the Flower festival, to promote the idea?

Some of us attended the finance meeting recently at St Osyth; Rev Sharon is going to speak about this.
